# Index to Volume 6, 2000

## Author index*

### B

**Bamber-Azzapardi W** (*see* Forchuk et al). 2000;6:3-10
**Barker P.** Hildegard E. Peplau: home thoughts from abroad. 2000;6:63-4
**Beeber, LS.** Hildahood: taking the interpersonal theory of nursing to the neighborhood. 2000;6:49-55
**Benfer BA,** Schroder PJ. Encountering Hildegard E. Peplau. 2000;6:35-7
**Bowron H.** Decoding Picabia. 2000;6:105
**Bowron H.** Hildegard Peplau: captain, crew, and navigator. 2000;6:38
**Bowron H.** Risk and opportunity. 2000;6:74
**Bowron H.** The artist as exempt. 2000;6:139
**Bowron H.** The significance of place. 2000;6:175
**Brooks AMT** (*see* Ryan and Brooks). 2000;6:25-8
**Brown EJ,** Outlaw FH, Simpson EM. Theoretical antecedents to HIV risk perception. 2000;6:177-182
**Brust S** (*see* Tucker and Brust). 2000;6:112-8
**Burns CM,** Stuart GW. New somatic treatment in psychiatric care: transcranial magnetic stimulation and vagal nerve stimulation. 2000;6:203-6

### C

**Carter E.** Hildegard Peplau: our professional compass. 2000;6:70-1
**Chesterson J,** Clinton M. Scoping the present and planning the future: mental health nursing in Australia and New Zealand. 2000;6:165-9
**Christman L.** Remembrances. 2000;6:66
**Church OM.** Hildegard E. Peplau's leadership and achievements in the advance of psychiatric nursing: the right person in the right time and place. 2000;6:16-24
**Connolly PM,** Novak JM. Teaching collaboration: a demonstration model. 2000;6:183-190
**Connolly PM.** Reflections on the mentoring influences of Hildegard E. Peplau. 2000;6:65
**Cottone MA** (*see* McClowry et al). 2000;6:107-11

### D

**Durand M** (*see* McClowry et al). 2000;6:107-11

### F

**Forchuk C,** Westwell J, Martin ML, Bamber-Azzapardi W, Kosterewa-Tolman D, Hux M. The developing nurse-client relationship: nurses' perspectives. 2000;6:3-10

### G

**Gauthier PA.** Use of Peplau's interpersonal relations model to counsel people with AIDS. 2000;6:119-25
**Giangrande S** (*see* McClowry et al). 2000;6:107-11
**Gournay K.** An international perspective of psychiatric nursing: the situation in the United Kingdom. 2000;6:170-4

### H

**Haber J.** Hildegard E. Peplau: the psychiatric nursing legacy of a legend. 2000;6:56-62

*February, 1-38; April, 39-76; June, 77-106; August, 107-140; October, 141-176; December, 177-218.

**Haber J.** Influencing political outcomes: endorsement of political candidates. 2000;6:103-4
**Haber J.** This is no time to get complacent! 2000;6:210-2
**Hill D.** The next millennium or the new decade? 2000;6:141-3 (Editorial)
**Hux M** (*see* Forchuk et al). 2000;6:3-10

### J

**Johnston NE.** Psychiatric nursing in Canada as the parable of the sower. 2000;6:161-4
**Jung M.** Lives of two Korean mothers of children with schizophrenia: an interpretive approach. 2000;6:87-92

### K

**Kosterewa-Tolman D** (*see* Forchuk et al). 2000;6:3-10

### L

**Layman EL.** How therapeutic are tasers? 2000;6:97-9
**Lego S.** A nightingale for our time. 2000;6:14-5

### M

**Malone B.** Tribute to Hildegard Peplau, RN, PhD, FAAN. 2000;6:72-3
**Martin ML** (*see* Forchuk et al). 2000;6:3-10
**McClowry S,** Tommasini N, Giangrande S, Cottone MA, Durand M, Ochs E, Seery V. Daily hassles of married women with children: an empirical foundation for a preventive program. 2000;6:107-11
**McEnany G.** Herbal psychotropics. Part 2: focus on inositol and omega-3 fatty acids. 2000;6:93-6
**McEnany G.** Herbal psychotropics. Part 3: focus on kava, valerian and melatonin. 2000;6:126-30
**McGarry TJ.** Looking from the inside out. 2000;6:158-9

### N

**Novak JM** (*see* Connolly and Novak). 2000;6:183-190

### O

**Ochs E** (*see* McClowry et al). 2000;6:107-11
**Outlaw FH** (*see* Brown et al). 2000;6:177-182

### P

**Peden AR.** Negative thoughts of women with depression. 2000;6:41-8
**Peplau LA.** Remembering Hilda Peplau. 2000;6:11-3
**Poirier N.** Psychosocial characteristics discriminating between battered women and other women psychiatric inpatients. 2000;6:144-51
**Polick TJ.** Professional innovations: Lifting Up Lives. 2000;6:133-4

### R

**Ramos T** (*see* Talley and Ramos). 2000;6:152-7
**Roberts SJ.** Primary health care of survivors of childhood sexual abuse: how can psychiatric nurses be helpful? 2000;6:191-5
**Rush MM.** Power, spirituality, and time from a feminist perspective: correlated of sobriety in a study of sober female participants in Alcoholics Anonymous. 2000;6:196-202

**Ryan JA,** Brooks AMT. What effect has Dr. Peplau had on Psychiatric Nursing? 2000;6:25-8

S

**Schroder PJ** (*see* Benfer and Schroder). 2000;6:35-7
**Seery V** (*see* McClowry et al). 2000;6:107-11
**Sills, GM.** Peplau and professionalism: the emergence of the paradigm of professionalism. 2000;6:29-34
**Sills, GM.** The Peplau web grows. 2000;6:39-40 (Editorial)
**Sills, GM.** Web of change. 2000;6:1-2 (Editorial)
**Simpson EM** (*see* Brown et al). 2000;6:177-182
**Stuart G.** An international perspective on psychiatric nursing: introduction. 2000;6:160
**Stuart GW** (*see* Burns and Stuart). 2000;6:203-6

T

**Talley S,** Ramos T. Use of patient assistance programs to improve adherence. 2000;6:152-7
**Tommasini N** (*see* McClowry et al). 2000;6:107-11
**Tucker S,** Brust S. Establishing an empirically based psychiatric nursing practice in a rapidly changing health care environment. 2000;6:112-8

V

**Valentine NM.** Personal reflections on the life and times of Dr. Hildegard Peplau. 2000;6:67-9

W

**Warren BJ.** Cultural competence: a best practice process for psychiatric-mental health nursing. 2000;6:135-8
**Westwell J** (*see* Forchuk et al). 2000;6:3-10
**Wysoker A.** Informed consent: the ultimate right. 2000;6:100-2
**Wysoker A.** Patient rights: Americans with Disabilities Act and psychiatric disorders in the workplace. 2000;6:207-9
**Wysoker A.** Sexual misconduct. 2000;6:131-2

Z

**Zahourek R.** Alternative, complementary, or integrative approaches to treating depression. 2000;6:77-86

## Subject index*

A

**Acquired immunodeficiency syndrome**
Use of Peplau's interpersonal relations model to counsel people with AIDS (Gauthier). 2000;6:119-25
**Aggression**
How therapeutic are tasers? (Layman). 2000;6:97-9
**Alcoholics Anonymous**
Power, spirituality, and time from a feminist perspective: correlated of sobriety in a study of sober female participants in Alcoholics Anonymous (Rush). 2000;6:196-202
**Alternative medicine; *see also* Medicine, herbal**
Alternative, complementary, or integrative approaches to treating depression (Zahourek). 2000;6:77-86
**American Psychiatric Nurses Association**
An international perspective on psychiatric nursing: introduction (Stuart). 2000;6:160
**Americans with Disabilities Act**
Patient rights: Americans with Disabilities Act and psychiatric disorders in the workplace (Wysoker). 2000;6:207-9
**Anxiety, drug therapy**
Herbal psychotropics. Part 3: focus on kava, valerian and melatonin (McEnany). 2000;6:126-30
**Art; *see* This Month's Cover**
**Australia**
Scoping the present and planning the future: mental health nursing in Australia and New Zealand (Chesterson and Clinton). 2000;6:165-9

B

**Battered women**
Psychosocial characteristics discriminating between battered women and other women psychiatric inpatients (Poirier). 2000;6:144-51
**Behavior therapy**
Hildahood: taking the interpersonal theory of nursing to the neighborhood (Beeber). 2000;6:49-55
**Briefings**
An international perspective on psychiatric nursing: introduction (Stuart). 2000;6:160

C

**Canada**
Psychiatric nursing in Canada as the parable of the sower (Johnston). 2000;6:161-4
**Child abuse, sexual**
Primary health care of survivors of childhood sexual abuse: how can psychiatric nurses be helpful? (Roberts) 2000;6:191-5
**Collaboration**
Teaching collaboration: a demonstration model (Connolly and Novak). 2000;6:183-190

D

**Decision making, organizational**
Influencing political outcomes: endorsement of political candidates (Haber). 2000;6:103-4
**Delivery of health care, integrated**
Alternative, complementary, or integrative approaches to treating depression (Zahourek). 2000;6:77-86
**Depression, alternative therapy**
Alternative, complementary, or integrative approaches to treating depression (Zahourek). 2000;6:77-86
**Depression, drug therapy**
Herbal psychotropics. Part 2: focus on inositol and omega-3 fatty acids (McEnany). 2000;6:93-6
**Depression, rehabilitation**
Negative thoughts of women with depression (Pedar). 2000;6:41-8

*February, 1-38; April, 39-76; June, 77-106; August, 107-140; October, 141-176; December, 177-218.

**Domestic violence**
Psychosocial characteristics discriminating between battered women and other women psychiatric inpatients. 2000;6:144-51
**Drug industry**
Use of patient assistance programs to improve adherence (Talley and Ramos). 2000;6:152-7

## E

**Editorials**
The next millennium or the new decade? (Hill) 2000;6:141-3 (Editorial)
The Peplau web grows (Sills). 2000;6:39-40
Web of change (Sills). 2000;6:1-2
**Employment, supported**
Patient rights: Americans with Disabilities Act and psychiatric disorders in the workplace (Wysoker). 2000;6:207-9
**Environment**
The significance of place (Bowron). 2000;6:175
**Ethics, nursing**
Informed consent: the ultimate right (Wysoker). 2000;6:100-2
Sexual misconduct (Wysoker). 2000;6:131-2
**Ethnopsychology**
Cultural competence: a best practice process for psychiatric-mental health nursing (Warren). 2000;6:135-8
Lives of two Korean mothers of children with schizophrenia: an interpretive approach (Jung). 2000;6:87-92
**Evidence-based medicine**
Establishing an empirically based psychiatric nursing practice in a rapidly changing health care environment (Tucker and Brust). 2000;6:112-8
An international perspective of psychiatric nursing: the situation in the United Kingdom (Gournay). 2000;6:170-4

## F

**Fatty acids, omega-3**
Herbal psychotropics. Part 2: focus on inositol and omega-3 fatty acids (McEnany). 2000;6:93-6
**Fees, pharmaceutical**
Use of patient assistance programs to improve adherence (Talley and Ramos). 2000;6:152-7

## G

**Government**
An international perspective of psychiatric nursing: the situation in the United Kingdom (Gournay). 2000;6:170-4

## H

**History of nursing**
The next millennium or the new decade? (Hill) 2000;6:141-3 (Editorial)
A nightingale for our time (Lego). 2000;6:14-5
Peplau and professionalism: the emergence of the paradigm of professionalism (Sills). 2000;6:29-34
Personal reflections on the life and times of Dr. Hildegard Peplau (Valentine). 2000;6:67-9
Remembering Hilda Peplau (Peplau). 2000;6:11-3
Web of change (Sills). 2000;6:1-2 (Editorial)
**HIV**
Theoretical antecedents to HIV risk perception (Brown et al). 2000;6:177-182
**Home nursing**
Lives of two Korean mothers of children with schizophrenia: an interpretive approach (Jung). 2000;6:87-92

## I

**In memoriam; *see* Peplau, Hildegard E.**
**Informed consent**
Informed consent: the ultimate right (Wysoker). 2000;6:100-2
**Inositol**
Herbal psychotropics. Part 2: focus on inositol and omega-3 fatty acids (McEnany). 2000;6:93-6
**Inpatients, psychology**
Psychosocial characteristics discriminating between battered women and other women psychiatric inpatients (Poirier). 2000;6:144-51
**Insomnia, drug therapy**
Herbal psychotropics. Part 3: focus on kava, valerian and melatonin (McEnany). 2000;6:126-30
**Interpersonal relations**
Hildahood: taking the interpersonal theory of nursing to the neighborhood (Beeber). 2000;6:49-55
Professional innovations: Lifting Up Lives (Polick). 2000;6:133-4
Use of Peplau's interpersonal relations model to counsel people with AIDS (Gauthier). 2000;6:119-25
**Intervention studies**
Daily hassles of married women with children: an empirical foundation for a preventive program (McClowry et al). 2000;6:107-11

## K

**Kava**
Herbal psychotropics. Part 3: focus on kava, valerian and melatonin (McEnany). 2000;6:126-30

## L

**Legal and Ethical Considerations**
Informed consent: the ultimate right (Wysoker). 2000;6:100-2
Patient rights: Americans with Disabilities Act and psychiatric disorders in the workplace (Wysoker). 2000;6:207-9
Sexual misconduct (Wysoker). 2000;6:131-2
**Lifting Up Lives program**
Professional innovations: Lifting Up Lives (Polick). 2000;6:133-4

## M

**Magnetic stimulation**
New somatic treatment in psychiatric care: transcranial magnetic stimulation and vagal nerve stimulation (Burns and Stuart). 2000;6:203-6
**Managed care programs**
Cultural competence: a best practice process for psychiatric-mental health nursing (Warren). 2000;6:135-8
**Medicare**
This is no time to get complacent! (Haber) 2000;6:210-2
**Medicine, herbal**
Herbal psychotropics. Part 2: focus on inositol and omega-3 fatty acids (McEnany). 2000;6:93-6
Herbal psychotropics. Part 3: focus on kava, valerian and melatonin (McEnany). 2000;6:126-30
**Melatonin**
Herbal psychotropics. Part 3: focus on kava, valerian and melatonin (McEnany). 2000;6:126-30
**Mental health**
Psychiatric nursing in Canada as the parable of the sower (Johnston). 2000;6:161-4
Scoping the present and planning the future: mental health nursing in Australia and New Zealand (Chesterson and Clinton). 2000;6:165-9

**Mentally disabled persons**
Lives of two Korean mothers of children with schizophrenia: an interpretive approach (Jung). 2000;6:87-92
Negative thoughts of women with depression (Pedar). 2000;6:41-8
Patient rights: Americans with Disabilities Act and psychiatric disorders in the workplace (Wysoker). 2000;6:207-9
Primary health care of survivors of childhood sexual abuse: how can psychiatric nurses be helpful? (Roberts) 2000;6:191-5
Psychosocial characteristics discriminating between battered women and other women psychiatric inpatients. 2000;6:144-51
**Mothers, psychology**
Daily hassles of married women with children: an empirical foundation for a preventive program (McClowry et al). 2000;6:107-11
Lives of two Korean mothers of children with schizophrenia: an interpretive approach (Jung). 2000;6:87-92

## N

**National Alliance for the Mentally Ill**
Looking from the inside out (McGarry). 2000;6:158-9
**Negativism**
Negative thoughts of women with depression (Pedar). 2000;6:41-8
**New Zealand**
Scoping the present and planning the future: mental health nursing in Australia and New Zealand (Chesterson and Clinton). 2000;6:165-9
**Nurse-patient relations**
The developing nurse-client relationship: nurses' perspectives (Forchuk et al). 2000;6:3-10
Sexual misconduct (Wysoker). 2000;6:131-2
**Nursing research**
Establishing an empirically based psychiatric nursing practice in a rapidly changing health care environment (Tucker and Brust). 2000;6:112-8
**Nursing theory**
The developing nurse-client relationship: nurses' perspectives (Forchuk et al). 2000;6:3-10

## P

**Parenting**
Daily hassles of married women with children: an empirical foundation for a preventive program (McClowry et al). 2000;6:107-11
Hildahood: taking the interpersonal theory of nursing to the neighborhood (Beeber). 2000;6:49-55
Lives of two Korean mothers of children with schizophrenia: an interpretive approach (Jung). 2000;6:87-92
**Patient admission**
Psychosocial characteristics discriminating between battered women and other women psychiatric inpatients (Poirier). 2000;6:144-51
**Patient advocacy**
Informed consent: the ultimate right (Wysoker). 2000;6:100-2
Patient rights: Americans with Disabilities Act and psychiatric disorders in the workplace (Wysoker). 2000;6:207-9
**Patient assistance programs**
Use of patient assistance programs to improve adherence (Talley and Ramos). 2000;6:152-7
**Patient compliance**
Use of patient assistance programs to improve adherence (Talley and Ramos). 2000;6:152-7
**Patient education**
Teaching collaboration: a demonstration model (Connolly and Novak). 2000;6:183-190
**Patient rights; *see* Patient advocacy**
**Peplau, Hildegard E.**
The developing nurse-client relationship: nurses' perspectives (Forchuk et al). 2000;6:3-10
Encountering Hildegard E. Peplau (Benfer and Schroeder). 2000;6:35-7
Hildegard E. Peplau: home thoughts from abroad (Barker). 2000;6:63-4
Hildegard E. Peplau: the psychiatric nursing legacy of a legend (Haber). 2000;6:56-62
Hildegard Peplau: captain, crew, and navigator (Bowron). 2000;6:38
Hildegard Peplau: our professional compass (Carter). 2000;6:70-1
A nightingale for our time (Lego). 2000;6:14-5
Peplau and professionalism: the emergence of the paradigm of professionalism (Sills). 2000;6:29-34
The Peplau web grows (Sills). 2000;6:39-40 (Editorial)
Personal reflections on the life and times of Dr. Hildegard Peplau (Valentine). 2000;6:67-9
Reflections on the mentoring influences of Hildegard E. Peplau (Connolly). 2000;6:65
Remembering Hilda Peplau (Peplau). 2000;6:11-3
Risk and opportunity (Bowron). 2000;6:74
Tribute to Hildegard Peplau, RN, PhD, FAAN (Malone). 2000;6:72-3
Web of change (Sills). 2000;6:1-2 (Editorial)
What effect has Dr. Peplau had on psychiatric nursing? (Ryan et al). 2000;6:25-8
**Physician-nurse relations**
This is no time to get complacent! (Haber) 2000;6:210-2
**Point of View**
Cultural competence: a best practice process for psychiatric-mental health nursing (Warren). 2000;6:135-8
**Policy and Politics**
Influencing political outcomes: endorsement of political candidates (Haber). 2000;6:103-4
This is no time to get complacent! (Haber) 2000;6:210-2
**Primary health care**
Primary health care of survivors of childhood sexual abuse: how can psychiatric nurses be helpful? (Roberts) 2000;6:191-5
**Professional Progress Notes**
How therapeutic are tasers? (Layman). 2000;6:97-9
Looking from the inside out (McGarry). 2000;6:158-9
Professional innovations: Lifting Up Lives (Polick). 2000;6:133-4
**Protective devices**
How therapeutic are tasers? (Layman). 2000;6:97-9
**Psychiatric nursing**
The artist as exempt (Bowron). 2000;6:139
Cultural competence: a best practice process for psychiatric-mental health nursing (Warren). 2000;6:135-8
Encountering Hildegard E. Peplau (Benfer and Schroeder). 2000;6:35-7
Establishing an empirically based psychiatric nursing practice in a rapidly changing health care environment (Tucker and Brust). 2000;6:112-8
Hildegard E. Peplau: home thoughts from abroad (Barker). 2000;6:63-4
Hildegard E. Peplau: the psychiatric nursing legacy of a legend (Haber). 2000;6:56-62
Hildegard Peplau: captain, crew, and navigator (Bowron). 2000;6:38
Hildegard Peplau: our professional compass (Carter). 2000;6:70-1
Influencing political outcomes: endorsement of political candidates (Haber). 2000;6:103-4
An international perspective of psychiatric nursing: the situation in the United Kingdom (Gournay). 2000;6:170-4
An international perspective on psychiatric nursing: introduction (Stuart). 2000;6:160
The next millennium or the new decade? (Hill) 2000;6:141-3 (Editorial)

The Peplau web grows (Sills). 2000;6:39-40 (Editorial)
Psychiatric nursing in Canada as the parable of the sower (Johnston). 2000;6:161-4
Reflections on the mentoring influences of Hildegard E. Peplau (Connolly). 2000;6:65
Risk and opportunity (Bowron). 2000;6:74
Scoping the present and planning the future: mental health nursing in Australia and New Zealand (Chesterson and Clinton). 2000;6:165-9
This is no time to get complacent! (Haber) 2000;6:210-2
Tribute to Hildegard Peplau, RN, PhD, FAAN (Malone). 2000;6:72-3
What effect has Dr. Peplau had on psychiatric nursing? (Ryan et al). 2000;6:25-8

**Psychobiology Perspectives**
Herbal psychotropics. Part 2: focus on inositol and omega-3 fatty acids (McEnany). 2000;6:93-6
Herbal psychotropics. Part 3: focus on kava, valerian and melatonin (McEnany). 2000;6:126-30

**Psychopharmacology issues**
Use of patient assistance programs to improve adherence (Talley and Ramos). 2000;6:152-7

**Psychotherapy, group**
Professional innovations: Lifting Up Lives (Polick). 2000;6:133-4

**Psychotropic drugs**
Herbal psychotropics. Part 2: focus on inositol and omega-3 fatty acids (McEnany). 2000;6:93-6
Herbal psychotropics. Part 3: focus on kava, valerian and melatonin (McEnany). 2000;6:126-30

**Religion and psychology**
Power, spirituality, and time from a feminist perspective: correlated of sobriety in a study of sober female participants in Alcoholics Anonymous (Rush). 2000;6:196-202

**Risk factors**
Theoretical antecedents to HIV risk perception (Brown et al). 2000;6:177-182

## S

**Schizophrenia**
Lives of two Korean mothers of children with schizophrenia: an interpretive approach (Jung). 2000;6:87-92
Looking from the inside out (McGarry). 2000;6:158-9

**Self-help groups**
Looking from the inside out (McGarry). 2000;6:158-9
Power, spirituality, and time from a feminist perspective: correlated of sobriety in a study of sober female participants in Alcoholics Anonymous (Rush). 2000;6:196-202

**Sexual harassment**
Sexual misconduct (Wysoker). 2000;6:131-2

**Somatic treatment**
New somatic treatment in psychiatric care: transcranial magnetic stimulation and vagal nerve stimulation (Burns and Stuart). 2000;6:203-6

**Stress disorders, post-traumatic**
Psychosocial characteristics discriminating between battered women and other women psychiatric inpatients (Poirier). 2000;6:144-51

**Stress, psychological**
Daily hassles of married women with children: an empirical foundation for a preventive program (McClowry et al). 2000;6:107-11

**Substance abuse, intravenous**
Theoretical antecedents to HIV risk perception (Brown et al). 2000;6:177-182

## T

**Teaching**
Teaching collaboration: a demonstration model (Connolly and Novak). 2000;6:183-190

**Terminally ill**
Use of Peplau's interpersonal relations model to counsel people with AIDS (Gauthier). 2000;6:119-25

**This Month's Cover**
The artist as exempt (Bowron). 2000;6:139
Decoding Picabia (Bowron). 2000;6:105
Hildegard Peplau: captain, crew, and navigator (Bowron). 2000;6:38
Risk and opportunity (Bowron). 2000;6:74
The significance of place (Bowron). 2000;6:175

## U

**United Kingdom**
An international perspective of psychiatric nursing: the situation in the United Kingdom (Gournay). 2000;6:170-4

## V

**Vagal nerve stimulation**
New somatic treatment in psychiatric care: transcranial magnetic stimulation and vagal nerve stimulation (Burns and Stuart). 2000;6:203-6

**Valerian**
Herbal psychotropics. Part 3: focus on kava, valerian and melatonin (McEnany). 2000;6:126-30

**Violence, prevention and control**
How therapeutic are tasers? (Layman). 2000;6:97-9

## W

**Women**
Negative thoughts of women with depression (Pedar). 2000;6:41-8
Power, spirituality, and time from a feminist perspective: correlated of sobriety in a study of sober female participants in Alcoholics Anonymous (Rush). 2000;6:196-202
Primary health care of survivors of childhood sexual abuse: how can psychiatric nurses be helpful? (Roberts) 2000;6:191-5
Theoretical antecedents to HIV risk perception (Brown et al). 2000;6:177-182
